

Hayden Hanson

Entry Level Software Engineer

EDUCATION

George Mason University — Applied Computer Science, BS

Concentration in Software Engineering

Fall 2019 - Present

Expected Graduation — Fall 2023

SKILLS

Proficient: Java and JUnit, Objective-C

Previous Experience: Flutter, Python, HTML, CSS, JavaScript

RELEVANT PROJECTS

- **Pocket Recipes Mobile Application (Flutter)**
 - Accomplished rapid software development with a small team of developers.
 - Developed a full stack application that allows users to store recipes along with many other features. We built this application with Flutter, Java Spring-Boot and MongoDB.
 - Designed and implemented the Flutter UI and feature integration as the lead frontend developer.
- **UNIX Shell (Objective-C)**
 - Accomplished the implementation of a bash style system shell built from the ground up.
 - Efficiently stores user processes from the command line and allows users to run these processes in the foreground or background.
 - Uses signal handling to implement features like suspending, resuming or canceling a running process.

WORK EXPERIENCE

Full Service Shopper, Instacart; — 10/2021 - Present

Currently, I work as an Independent Contractor for Instacart on my own schedule, around 20 hours per week. I complete full service deliveries which entails shopping and delivering to clients in the given time frames. I work as efficiently as possible.

A2 Mechanic, Bowlero Corporation — 06/2021 - 10/2021

At Bowlero Corporation I worked as an A2 bowling pinsetter mechanic at the entry level. I also helped the team out in the kitchen and bussed tables while the pinsetters were working smoothly to assist everybody on the shift.

Salad & Dessert Chef/Back of House, Grimaldi's Pizzeria; — 09/2018 - 02/2019

At Grimaldi's I worked with my team to provide the best brick oven pizza experience possible to our guests. I was responsible for organizing and keeping the back of house running smoothly. I also made salad and desserts including various cheesecakes, cannoli's and tiramisu.
